The Year 7 students demonstrated great dedication, determination, and enthusiasm during the sports festival, impressing many external individuals (coaches) with their commitment, hard work, and teamwork skills. They represented Villiers High School in a highly professional manner and proved to be excellent representatives of the school.

During the sports festival, Year 7 students enjoyed participating in various sports and expressed their willingness to continue playing in the future and during the summer holidays. Their interest in choosing a variety of sports in the future is evident in the picture below.

Thank you to all parents and carers for supporting your children on the Street Elite sports festival trip and helping them explore a variety of sports. We appreciate your continuous support to Villiers High School and to our students.

Best Regards

Mr V. Viridi
