SPORTS NEWS

It's been an amazing month for sports at Villiers!

- We would like to say a huge well done to our Year 7/8 athletics team, who made us incredibly proud by bringing home six medals from their recent competition.

- A huge congratulations to our mixed NFL team on their incredible debut performance against Cranford! The team delivered an outstanding performance, securing a commanding 68–6 victory.

Their outstanding performances were matched by the way they conducted themselves — demonstrating the Villiers values throughout the event.

Congratulations to all the athletes involved — your hard work and dedication truly paid off!
