

September 2026 Issue

Welcome to the latest Villiers High School project newsletter, which will provide you with up-to-date information on the build and upcoming opportunities.

What's been delivered...

The Villiers High School project commenced on Monday 9th March 2026.

Current works:

- We are now in the process of erecting the steel frame and fitting the concrete floor planks.

What's coming up...

Forward programme September/October

- Erection of the steel frame, installation of the concrete floors and staircases.
- External and internal drainage works.
- Scaffolding works.
- Concrete floor works to the ground floor

Social Value Update

Social Value Update

Please see below some upcoming events that we will be assisting with

- 2 CAPE Mental Health Charity events coming up in September
- Villiers High School Open Evening on 1st October 2026
- Ealing Expo on Thursday 8th October.

Please feel free to contact us should you require any further information on the events.
